**Maine State Testing
Opt Out Form**

I, _____ (parent/guardian's printed name), understand that RSU 22 is required, under federal and state laws, to administer state assessments to each student in the district in grades 3-8 and 10. I am also aware that RSU 22 is required to meet a 95% student participation rate for testing in order to be in compliance with federal and state mandates, as well as ensure no financial penalties ensue. While I am aware of these potential consequences for the district, I would like to opt my child out of the testing I designate below for the 2022-2023 school year.
